MEMBERSHIP APPLICATION 2017-2018

Crescent Community Club (CCC) has been an active participant in the Crescent-Gilchrist Community since 1956. The CCC is a non-profit organization and look to membership for part of our support. To all of you who have supported the CCC thru the years, we "THANK YOU" from the bottom of our hearts. With your support, we have been able to keep the CCC a great place for family gatherings, community fund raisers, and a social center for the community.

In 2016-2017 we were able to install hot water to the men's and women's restrooms, upgrade the toilets to ADA standards, several storage areas were cleaned and gear inventoried, the interior of the building was painted, and an additional 21 tables and storage cart was purchased. We sponsored the Flea Market, and Christmas Bazaar. We rented the Club out to various organizations throughout the year as well as provided its use as a meeting place for local groups such as the Lions Club and the Sewer District.

We have supported the Ford Foundation Kiosk Group and they have installed information centers in Crescent, Crescent Lake, Gilchrist and Chemult. Be sure to check out our Kiosk here at the Club as the informational panel, map panel, and area history panels should be installed in late spring of 2017. The Crescent Community Club actively supports youth activities and the Friends of North Klamath (FONK) which supports our families at Christmas and other times where they may need a little extra assistance.

As a member of the Crescent Community Club you are eligible for a discount on renting the Club for an event. Business Memberships receive a plaque displayed at the Club. We provide an Easter Egg Hunt and Trunk or Treat for youth and bi-weekly bingo for families. We have table and chair rentals for members at a reduced rate.

We look forward to great events in 2017-2018 and the support from the community.
