

Crescent Community Club

Providing neighborly family activities and support

PO Box 64 Crescent, OR 97733

Greetings my fellow Crescent Community Club (CCC) members:

Thank you for your support and we hope we can count on you for your membership in 2017 as well. It has been another busy year of projects. With your membership dues and our fundraising events in 2016 we were able to complete the following projects:

1. Upgrading the men's and women's restrooms with ADA compliant toilets
2. Hot water installed/plumbed to both men's and women's restrooms
3. Several storage areas were cleaned and inventoried
4. Interior of the building was painted
5. Twenty-one additional tables and cart was purchased
6. A cookbook was created from historic recipes and sold
7. Installation of a "trophy case" so we may display historic items related to the CCC
8. Leaking roof was fixed over the main electrical panel ☺

We also celebrated the 60th anniversary of the Crescent Community Club being built with a dinner and a dance. A good time was had by all who attended.

We had another successful Harvest Bingo in November 2016 and part of the money earned has been set aside as the building heating system needs to be upgraded (approximately \$12,000 dollars). Mark your calendars for the 2017 Harvest Bingo on Saturday November 4th and help us raise the additional funds.

Currently we are setting up emergency repairs to the roof after an ice dam ripped off the heater exhaust stack and cap as well as some of the vent ducting. Once warm weather arrives we will be bidding for a full repair. We also have several additional smaller projects we'd like to accomplish for 2017 including painting the kitchen, new refrigerators for the kitchen, ADA handrails in the bathrooms, and checking into getting the exterior siding replaced to "spruce-up" the Club.

The Easter Egg Hunt, Halloween Trunk or Treat, Christmas Bazaar, and flea market are well supported by the community and we appreciate it.

Our monthly board meeting is the first Wednesday of each month at the CCC. **We are trying a new time for the next three months (March thru May) at 5:15 p.m.** It is open to all and we love new ideas so please stop by.

A new board was elected for 2017 and they consist of:

President: Beth Hatcher
Vice-President: Echo Murray
Treasurer: John Driscoll
Secretary: Lil Cross
Board Member (as Past-President): Susan Sessions
Janitors: Deb Leslie and Lil Cross
Bingo Coordinator: Chris Smouse
Bingo Callers: Dave Fowers and Dave Crider
Kitchen Staff: Darlene Cheney, Joyce Mathers, Chris Smouse

Thank you

Lil Cross
Secretary
