MEMBERSHIP APPLICATION 2022

Crescent Community Club (CCC) has been an active participant in the Crescent-Gilchrist Community since 1956. The CCC is a non-profit organization and looks to membership for part of our support. To all of you who have supported the CCC thru the years, we **"THANK YOU"** from the bottom of our hearts. With your support, we have been able to keep the CCC a great place for family gatherings, community fund raisers, and a social center for the community.

2020, 2021 and 2022 have been rather slow and difficult years for the CCC. We have been unable to host our usual events. We are pleased our improved outdoor spaces have been in use for youth baseball! We are currently working with Walker Range to secure large boulders to define the edge of the gravel path. The Crescent Community Club supports events such as the Easter Egg Hunt, Halloween Trunk or Treat, Winter Wishes (Santa and tree lighting), and is used as a rental and meeting place for families and local groups.

As a member of the Crescent Community Club you are eligible for a discount on renting the Club for an event. We have table and chair rentals for members at a reduced rate. We look forward to great events in the future and appreciate the support from the community.
